

## 11 mm Max Wear™ PMI® Hudson Classic Professional Rope Rope | Static Rope

Extreme environments require this extreme rope. Those who work in rugged terrain appreciate the superior abrasion resistance of this sturdy line. Also available in custom colors and lengths. This rope is extremely durable, but it has a much stiffer hand than PMI® Classic. PMI® Max Wear also has only one stripe over the base color while Classic EZ-Bend has two stripes over the base color. Contact PMI customer service for availability, delivery and custom pricing.
