

## PMI® Ladder Rescue system 18ft ladder including belay Solutions and Kits | Solutions

PMI®'s Ladder Rescue Kit is designed for rescuing a worker in the event of a fall with minimal prior rescue training. The system is simple to deploy using the existing or a temporary anchor point. The Rescue Ladder System allows the victim to climb efficiently and safely with the added safety of the rope grab system. The PMI® Ladder Rescue Kit is equipped with a fast drop in 18' foot ladder with a locking ANSI steel carabiner for quick attachment. The added rope grab system allows the victim to climb efficiently and safely reducing the risk of a secondary fall. The fast drop in system features a simple but rugged roll top bag with reflective lettering. This highly visible bag makes this rescue ladder easy to find in emergency situations.

System Features: Progress Capture Pulley (Belay Device) • 2" Heavy Duty Black Nylon Webbing Ladder • Aluminum bar rungs sewn into heavy duty black webbing • Static 11mm nylon rope • ClimbTech ANSI Steel Carabiner • Ballistic nylon deployment bag
