

SMC Mountaineering 8 Hardware | Braking Devices

Easy to rig and handle when wearing gloves, this descender has smooth action on belay or rappel. Works well with either single or double ropes from 8 mm to 12.5 mm. Additional friction is gained by increasing the number of wraps.

Key Features

- Effective for either single or double wrap braking
- High quality aircraft grade 6061 aluminum
- Works with 8 mm to 12.5 mm
- Bottom hole can be used as a stitch plate
