

## Two and Three-Sided Indoor Scoring Systems (Great for indoor sporting events)

### Model SS-3300T Three-Sided Indoor Scoring System

- Display Size: 20" x 20" x 17"
- System Weight: 40 lbs.
- Digit Type: 4" Professional Bar-style LEDs
- Power Source: 120V AC
- Power Cord: 8'
- Construction: Reinforced alloy case with Lexan® face
- Display Warranty: 2 years
- Tablet Warranty: 1 year manufacturer warranty

**Also Available:**  
**Model SS-3200T**  
Two sided wireless scoring system. The SS-3200T performs just like the SS-3300T scoring system, but with a two sided configuration where visibility is needed on opposing sides.

### Model SS-3300T WIRELESS Three-Sided System

Eliminates the need for a cable from the controller to the display.

Designed for indoor use at multiple sport tournaments such as wrestling, martial arts, volleyball, basketball, and more. Its configuration allows 360 degree visibility, allowing the audience to see the display from every angle. The control tablet mimics the full-size display and is intuitive and easy-to-use. The tournament program mode allows the system to be pre-set with different period lengths.

### FEATURES/SPECIFICATIONS

- Advantage (riding) and injury timers:** Built-in standard features
- One-piece display:** Quick set up and take down
- Ultra bright digits:** Red, green, and amber colored
- Match number display:** Can also be used to show team score (overlay included)
- Loud buzzer-style horn:** Adjustable volume, three cadence choices and off setting
- Advantage/Injury memory:** Simultaneously tracks both advantage and injury/blood times

## Control Tablet (Included with two-sided and three-sided scoring systems)

### THE MATCH SCREEN

Befour's newest controller now comes as a powerful and intuitive Android touch screen.

**Settings tab** sets up period length, defaults, etc...

**Team Score tab** displays team score between matches

**New Match tab** resets to the default settings to prepare for the next match

**Riding Time buttons** are highlighted to indicate active status

**Top screen shot** is an exact duplicate of the display.

**Bottom screen shot** shows (6) additional timers.

**Simple Up/Down scoring buttons**

**START button** is extra large, once pressed it will turn red and display "STOP"

### TABLET CONTROLLER FEATURES

- 10" Android tablet included (1 year manufacturer warranty)
- Upgradable firmware for easy updating of new features
- Wireless communication to display >50 ft. range
