

BATH/TOILET MODULAR SYSTEM- REHAB SHOWER/COMMODE CHAIR

- Complete Packages for Easier Ordering Available
- Stainless Steel Frame
- Height Adjustable
- Can be used as a Raised Toilet Seat or Bath Transfer Bench
- Lightweight
- 350 lb. (158kg) Weight Capacity
- Several Seat Options Available
- Seat usable in Four Different Directions

The 202 is unique in its design to accommodate perineal access from four directions. The cut-out portion of the seat can be placed over the toilet in the desired direction, and the legs can be adjusted in height while maintaining a stable platform for seating.

With the five different seating options and large seating surface, the 202 provides excellent support while the cut-out may offer some additional pressure relief. With these options, the customer can find the size, contour, and shape to fit a wide range of needs. It is lightweight, easy to move out of the way and no tools are required for disassembling the legs for travel or for other adjustments. Easy to use, versatile, sturdy and comfortable makes the 202 an outstanding bathroom aid.
