

## 10mm Delta Screw Link, Galvanized Steel Hardware | Carabiners and Connectors

Screw links stand up to multi-directional forces better than carabiners and allow ample room for multiple pieces of gear to be attached. Ideal harness attachment in ascending systems or for joining anchor straps. Delta shape: developed after the ever-increasing development of webbing-fitted systems; perfect for webbing uphold onto its lower flat part. Made in France by Maillon Rapide.

*Note: Links are stamped with a Working Load Limit (WLL) that is about 1/5 of its rated breaking strength.*

### Additional Information

**Shipping weight** | 0.337 lbs

**Height** | 0.44" (10.0 mm)

**Width** | 2.61" (6.6 cm)

**Gate Opening** | 15/32" (12.0 mm)

**Length** | 3.42" (8.7 cm)

**MBS** | 42 kN (9525 lbf)

**Weight** | 5.0 oz (153 g)

**WLL** | 9 kN (1985 lbf)

**Major axis** | 42 kN (9525 lbf)

**Compliant** | EN 12275, EN 362, UIAA, CE
