

PMI® Grunt Bucket Logistics and Support Gear | Rope Bags and Storage

The Grunt is your essential, suspend-able assistant for every job at height. This tool bucket bag has a reinforced base, 5 gallon capacity, and a suspension handle capable of holding more than 200 pounds, this PVC fabric bucket is the perfect companion for carrying tools, materials, or even liquids during vertical work. THF Welding technology offers robust waterproof construction, while stiffeners maintain the shape of the large top opening. Internal pockets with magnetic closures help organize smaller tools.

Key Features

- Easy access to tools
- Rigid carrying handle
- Clic clac pocket closure system
- Watertight pocket
- Reinforced base
