SHEEPSKIN WHEELCHAIR ACCESSORIES (Armrest Pads)

Reorder #	Unit
703010	Pair

For plush comfort and pressure relief, Skil-Care's Armrest Pads are a must for all wheelchairs. Made from HealthGrade synthetic sheepskin, these pads are extra-long so that sensitive arms and elbows never come into contact with hard armrests or metal support bars. Sized to fit all wheelchairs, these pads secure easily with heavy-duty snaps.

LAUNDERING INSTRUCTIONS

These Pads may be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommended.

WHEELCHAIR LEG PAD

Re-Order #	Size	Unit
703020	12"x 24"	Each

PURPOSE

High-pile synthetic sheepskin fabric protects your patient's legs against contact with metal wheelchair parts. Effective for preventing patient's feet from slipping off footrests. Sized to fit all wheelchairs, the Leg Pad serves both as a cushion and a leg support when the footrests are in the raised position.

APPLICATION

1. Place pad lengthwise across the metal bars that support footrests.
2. With fluff side facing out, fold ends around bars.
3. The pad should be positioned as shown in illustration above.
4. The pad is held in place by securing the straps through the corset buckles.

LAUNDERING INSTRUCTIONS

The Wheelchair Leg Pad is made from 100 percent polyester synthetic sheepskin fabric. It can be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommended.

WHEELCHAIR FOOTREST PADS

Re-Order #	Previous #	Unit
703040	9035	Pair

These super-soft synthetic sheepskin pads cushion sensitive feet against metal footrests. Designed to fit all wheelchairs, the pads are held securely in place with elastic bands.

LAUNDERING INSTRUCTIONS

The Footrest Pads may be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommended.
